Mitická

O DÚŠOK LEPŠÍ DEŇ

What makes Mitická so special and unique?

It's mineral composition is suitable for every day and everybody.

Favorable ratio of calcium and magnesium ensures their absorption and replenishes daily need of these minerals.

Low sodium content makes it suitable even for the people with recommended low sodium diet.

It's mineralization suitably complements the necessary daily intake minerals.

Mitická Jemne Perlivá is awarded Level 2 Slovak Quality Mark.
